

**DEPARTMENT OF GEOSCIENCES
MS PROGRAM**

RESEARCH COMMITTEE

• SUBMIT BY END OF FIRST SEMESTER

The Master's Research Committee consists of three members, the majority of whom are tenure-track faculty in the Department of Geosciences. Tenure-track faculty in the Department of Geosciences must direct or co-direct all Master's Research. With special permission from the Graduate Policy Committee and the Graduate College, scholars without a University of Arizona appointment may be considered for committee membership. At most, one such scholar may be considered for committee membership.
