DEPARTMENT OF GEOSCIENCES
MS PROGRAM

PUBLIC PRESENTATION

• SUBMIT BY END OF FOURTH SEMESTER

Near the end of your MS program you must give a public presentation of your research. The thesis or prepublication manuscript does not have to be in final form when this presentation is given. The presentation shall be public and announced in advance, and be in whatever format is acceptable to your Research Committee. These presentations are generally made at national meetings (AGU, GSA), the GeoDaze Symposium or a departmental brown bag.
