(Verse 1)

B
Do you feel like a chain store?
A           E
Practically floored
G           F
One of many zeros
A#            C#
Kicked around bored
B
Your ears are full, but you're empty
A                E
Holding out your heart
G                   F
To people who never really
A#           A
Care how you are   (GUITAR FILL 1)

(Chorus)  
   C#m
So give me Coffee & TV
   B     A  (Graham plays B13)
History
    (GUITAR FILL 2)
   C#m
I've seen so much
   E
 I'm going blind
   A                B(B13)
And I'm braindead virtually
   C#m
'Cos Sociability
    B(B13)         A
It's hard enough for me
    (GUITAR FILL 2)
   C#m
E
Take me away from this big bad world
   A              D
And agree to marry me
   A
So we can start over again

Verse 2:
B
Do you go to the country?
   A                E
It isn't very far
   G                      F
Those people there will hurt you
   A#                     C#
'Cos of who you are
B
Your ears are full of the language
   A                E
There's wisdom there you're sure
   G                      F
'Til the words start slurring
   A#                    A
And you can't find the door (GUITAR FILL 1)

(Chorus)  
   C#m
So give me Coffee & TV
   B     A  (Graham plays B13)
History
    (GUITAR FILL 2)
   C#m
I've seen so much
   E
 I'm going blind
And I'm braindead virtually
'Cos Sociability
It's hard enough for me
Take me away from this big bad world
And agree to marry me
So we can start over again

Solo:

(Chorus)
So give me Coffee & TV
History
'I've seen so much
I'm going blind
And I'm braindead virtually
'Cos Sociability
It's hard enough for me
Take me away from this big bad world
And agree to marry me
So we can start over again
Aah, we can start over again
Aah, we can start over again
Aah, we can start over again
Aah, we can start over again
